STATE GRANTS

Wednesday, November 5, 2008 ■ 10:30am-2:30pm ■ SYR

ABOUT THE PROGRAM

STATE GRANTS: Where and How to Get Them
A Peer Group Session will be held at Syracuse Hancock Airport on November 5, 2008 to discuss various NY State grants and other financial programs. To assist this group in this discussion, Mr. Seth Edleman, Director, Aviation Bureau of the NY State Department of Transportation and Mr. James Jacob, Director of Industry Development, Empire State Development, will join the group.

Mr. Edleman will discuss the various funding and grant programs which this department coordinates. Mr. Jacob will be present to discuss the financial incentives, assurances, and tax credit opportunities available through the Empire State Development Program.

This is an encore performance of the session held in June at Stewart International Airport. We are pleased to offer it again.
